

2021 Dyess Big Country AirFest Arrival and Departure Procedures

ARRIVALS

This year Abilene Approach/Tower will be working all arrivals outside of the Waivered Airspace time. So, there are no special procedures to get to the airport, just follow ATC instructions. Saturday May 1st, you must be on the ground and shut down by 11:50 am. This allows for the transfer of Airspace to Airboss and the start of the show at noon.

DEPARTURES

Departing from AirFest ramps call either AirFest ground or AirBoss for taxi instructions.

NO RADIO (NORDO)

No radio arrivals will land at Elmdale Airpark and call Abilene Tower on 325-201-9445 for arrival and taxi instructions.

No radio departures will coordinate with Airboss for taxi and departure instructions via phone 325-669-9825 or by talking to AirBoss at the AirBoss Trailer.
